Enjoy Japan at Carnegie Hall

Ms. KOUJYOU EBISAWA

Dear Friends,

*Thank you for your participation in **Enjoy Japan'98**
in its fifth exciting year at Carnegie Hall.*

*Enjoy Japan is an important opportunity for the people of
New York to increase their understanding of Japan and its
culture, and to promote friendship between our countries.*

*We hope you enjoy your experience in New York City and
at Carnegie Hall, and will return next year and bring friends
to participate as well.*

*Your performance adds joy to our Carnegie season.
Thank you for coming!*

With best regards,
